

JAMES' STORY

James is 15 years old, in the 9th grade, and joined our family in January of 2005. He works hard at school and is a good student. Religion is also important to him as he attends church and a youth Bible study. This summer he is going on a mission trip to Hauma, Louisiana to do re-hab work.

Being on a bowling league and softball team will help fill his summer. James also enjoys music, video games, and TV with Spiderman being his favorite character. He visits with his bio-family regularly and hopes to be re-united with them.
